

Our Good Neighbor Commitment

SolUnesco consistently demonstrates our core value of being good neighbors in every community.

In Charlotte County, Randolph Solar will:

Create **jobs** in construction and operations.

Increase local business **sales**.

Increase county **revenue**.

Create **less impact** on county resources than most other real estate development.

Guarantee **safe**, **quiet**, and **clean** operations.

Produce **zero emissions**.

Use existing or planted vegetation to provide **attractive visual buffers**.
