Dear Mr. Hodsoll:

After reviewing the revised conditional use permit application that we received on July 23rd for the Randolph Virginia LLC project, a newly proposed utility scale solar facility, we have found that the updated application addresses the issues expressed in our letter dated June 29, 2021. Therefore, the application for Randolph Virginia, LLC is now considered complete.

The next steps in the review process will be a review for compliance with the comprehensive plan in accordance with Virginia Code Section 15.2-2232 to be performed by the Planning Commission and a full application review to be performed by a third-party reviewer in accordance with Section 2-8-7.8 of the Charlotte County Zoning Ordinance. If you have any questions regarding the application review process, please contact me at 434-542-5117 or [dwitt@charlottecountyva.gov](mailto:d Witt@charlottecountyva.gov).

Sincerely,

Daniel N. Witt
Zoning Administrator
